Are you hot enough?

Do you think you have what it takes to be a model for Ryan? Are you comfortable in front of a camera and like to show off your stuff? We are looking for hot guys between the ages of 18 and 45 for live webcam shows, photo shoots & videos.

The look we're after is muscular jock-type guys all the way to thin, toned "twink" guys. This means you should have a visually appealing body all the way from muscular to lean athletic. If you fit this profile, what are you waiting for? Fill out the model application and send it to us!

The Model Application is a two-part process. Both parts are required before we can look at it.

### Part 2:

E-mail us 5 good quality photos of yourself (72 dpi, 6x9"):

- 1 photo of your face
- 1 flaccid cock photo
- 1 full frontal nude with a hard cock
- 1 close-up photo of your cock hard
- 1 photo of your ass.
